

EYFS, Phonics and Sats Results 2019

Dear Parent / Carer, We are writing to share some fabulous news with you. This year the pupils at Witham St Hughs Academy have achieved exceptional results in their assessments and as a staff team, we are incredibly proud of their achievements. We want to acknowledge that these outcomes would not be possible without your continued commitment and support as parents and we would like to take this opportunity to say thank you.

The Year One Phonics Screen

98% (82% nationally in 2018) of pupils passed the Year One phonics screen assessment. Annually this statistic places us in the top 5% of schools nationally. The academy works incredibly hard to celebrate the success of each child relative to their starting point. We recognise all achievements academically, personally and socially and we would like to congratulate all pupils who were involved.
